All applicants are required to include an up-to-date resume or summary outlining how their qualifications match position requirements

Job Summary:

Under the direction of the Program Manager, and as a member of the Acute Care team, the successful incumbent assumes a leadership role in Occupational Therapy in addition to their clinical duties. Responsibilities include day-to-day problem solving, caseload management, support of best practice and participation in committee work and projects as requested. The practice leader works in close collaboration with the program manager and secretary to support operations of the professional group and represents occupational therapy on Professional Practice Council. Supervision of support personnel and students are required.

Qualifications:

- Graduate of recognized school Occupational Therapy
- Active, unrestricted license to practice with the College of Occupational Therapists of Ontario
- Demonstrated ability to work both independently and as a member of a team
- Demonstrated commitment to evidence based practice
- Demonstrated commitment to healthy workplace culture
- Knowledge of professional standards of practice
- Knowledge of best practice in occupational therapy
- Experience in student supervision an asset
- Experience in leadership roles and committee work
- Strong interpersonal, verbal and written communication skills
- Demonstrated organizational and prioritization skills
- Demonstrated proficiency in utilizing word processing, electronic mail, and Internet software applications
- Minimum two years experience in acute care required
- Knowledge of hospital processes an asset
