

"Making a difference through employment"

Voices, Opportunities & Choices Employment Club

VOCEC is a not-for-profit corporation run by a community volunteer Board of Directors responsible for overseeing numerous social enterprise businesses in the Kingston area. Since 1993, VOCEC has employed over 400 consumers of mental health services.

VOCEC businesses promote self-esteem, independence, personal growth, and skill development for their associates.

VOCEC businesses are self sufficient, combining a gross income of over half a million dollars annually.

Each business contributes a corporation fee so that new employment opportunities can be created through business growth.
