*“Making a difference through employment”*

**Voices, Opportunities & Choices Employment Club**

VOCEC is a not-for-profit corporation run by a community volunteer Board of Directors responsible for overseeing numerous social enterprise businesses in the Kingston area. Since 1993, VOCEC has employed over 400 consumers of mental health services.

VOCEC businesses promote self-esteem, independence, personal growth, and skill development for their associates.

VOCEC businesses are self sufficient, combining a gross income of over half a million dollars annually.

Each business contributes a corporation fee so that new employment opportunities can be created through business growth.

## Our Commitment to Sustainability

Sometimes recycled is not enough. The process of recycling can actually contribute more hazard to the environment by consuming more water, using more bleach and more energy.

Sustainability reflects our commitment to minimizing our impact on the planet by using renewable resources, using less energy, producing less waste and preserving animal habitats.

Our recycled paper comes strictly from post-consumer waste, is processed chlorine free and uses green energy. Tree-Free is Forest Stewardship Council certified.

Our commitment to forest preservation continues with our use of Sweetpaper™, made from sugarcane waste, a recycled post agricultural byproduct.
