

PROVIDENCE CARE HOSPITAL - PARKING

Upon entering the STAFF DESIGNATED parking lot users will obtain a time-stamped ticket at the gate. When leaving, users will use a Pay-on-Exit machine to obtain a paid ticket prior to exiting the site (see below for full instructions). There will be Pay Stations located within the entrance doors to PCH, covered machines in the parking lots, as well as Pay-on-Exit stations. 10-exit and monthly passes are also available for purchase.

Parking rates:

Daily pay-on-exit	\$2 per hour to a maximum of \$6 per day (24 hour period)	Pay-on-exit
-------------------	---	-------------

Parking entry / exit instructions

On entry:

1. Press flashing button for a ticket at gate

OR

1. Insert same credit card used to enter
2. Follow instructions on screen
3. Once fee is paid receipt will be issued
4. Remove receipt, gate will open

Accessible and reduced mobility parking

Accessible parking for patients, clients, visitors and staff will continue to be located in the lot closest to the Main Entrance. All vehicles parking in accessible spots must display a valid Accessible Parking Permit issued by the Ministry of Transportation or they will be ticketed by Protection Services under City of Kingston Bylaws.

Pick-up and drop-off area

There is a covered, 15 minute pick-up and drop-off area directly outside the main entrance of Providence Care Hospital. This area can be used by visitors, patients/clients, and staff at any time. The pick-up and drop-off area can be very busy, especially at peak times Monday to Friday. Please do not exceed the 15 minute time limit. The area is monitored closely by Protection Services.

Speed on PCH site is 25 km/hr

The speed limit on the grounds of PCH is 25 km/hr. For the safety of patients, clients, staff and visitors, please abide by the posted speed limit, and give way to pedestrians and cyclists.

Pedestrian use of sidewalks

Please use the sidewalks and walkways available and do not walk on the roadway. Please cross only at designated cross walks and be mindful of traffic entering and exiting the hospital grounds.
